

C#

MP3 File loaded as  
16-bit integers

Incompatible frequencies  
are cut off

Signal values are  
mapped to 8bit

per byte communication via serial port

C++ built bin  
run on  
Arduino

Index	Frequency
0	31
1	33
2	35
...	...
134	7902

Note lookup table
